The Sierra Madre PD advised that due to recent street takeover and sideshow events happening in the San Gabriel Valley, local police agencies have come together to form the West San Gabriel Valley Traffic Task Force. The WSGV Traffic Task Force consists of members from the Arcadia, El Monte, Alhambra, Sierra Madre, San Marino, and the Monrovia Police Departments. Officers assigned to the Task Force will work proactively to combat street takeover and associated events in and around the West San Gabriel Valley. There will be zero-tolerance for any unlawful activity. Over the coming days, the Task Force will be deploying resources to monitor events associated with the anniversary of the death of Paul Walker. We encourage anyone attending memorial events to participate in a lawful manner. Any unlawful activity will result in zero-tolerance enforcement. This includes enforcement in public parking lots such as shopping or business lots.

At about 10:53AM, officers were called to the 100 block of W. Sierra Madre Bl. regarding a transient who was taking soda without paying for it and then locking himself in the bathroom for extended periods of time. The employees asked the transient to leave and advised him that he was no longer welcome at the business and he refused to leave. Officers coaxed the subject out of the restroom and arrested him for trespassing. He was later released with a citation.
