**SIERRA MADRE SUPER SUMMER 2021**

***May 27, 2021***

Summer Reading at the Library is back and better than ever. Our Summer Reading Program – Sierra Madre Super Summer – starts on Saturday, June 12, and we have a number of interesting virtual activities, along with a growing number of in-person programs scheduled throughout the summer. *All in-person activities will be limited in size and conducted outdoors, until and unless regulations allow for them to move inside.*

Each year, we are grateful for funding by the City of Sierra Madre, public donations, and the Friends of the Sierra Madre Library which enables us to provide summer enrichment opportunities for all to enjoy. In addition, this year's programming was supported in whole or in part by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.
