www.citvofsierramadre.com

A. INDEMNIFICATION

This INDEMNIFICATION AGREEMENT ("Agreement") is entered into by and between the City of Sierra Madre, a California municipal corporation ("City") and

PAUL ISAAC CASTING LTD, ("Applicant").

City and Applicant are sometimes hereinafter individually referred to as "Party" and hereinafter collectively referred to as the "Parties."

B. RECITALS

- 2.1 Applicant desires to conduct activity within the City for which a City Film Permit is required, pursuant to Chapter 5.36 of the Sierra Madre Municipal Code.
- 2.2 Whenever a city allows activity within the city which disrupts the typical activity within the city, such as filming activity, cities can be exposed to additional legal risk.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein and in the City Film Permit, City and Applicant agree as follows:

3. Qualification as Indemnification Agreement

Parties agree that this agreement constitutes an indemnification agreement within the meaning of Sierra Madre Municipal Code section 5.36.120.

4. Indemnification

- 4.1 Broad Interpretation. The parties agree that City, its officers, agents, employees and designated volunteers should, to the fullest extent permitted by law, be protected from any and all loss, injury, damage, claim, lawsuit, cost, expense, reasonable attorneys' fees, litigation costs, or any other cost arising out of or in any way related to the performance under this Agreement, or in any way relating to filming activities authorized by Applicant, or in any way related to the processing or issuance of a City Film Permit, and any related legal requirements, such as environmental documentation. Accordingly, the provisions of this indemnity provision are intended by the parties to be interpreted and construed to provide the City with the fullest protection possible under the law. Applicant acknowledges that City would not enter into this Agreement or issue a City Film Permit in the absence of Applicant's commitment to indemnify and protect City as set forth herein.
- 4.2 Applicant Indemnifies, Holds Harmless and Defends. To the fullest extent permitted by law, Applicant shall indemnify, hold harmless and defend City, its officers, agents, employees and volunteers from and against any and all claims, losses, costs or expenses, including but not limited to damage due to death or injury to any person and injury to any property, resulting from or arising out of, or in any way relating to, filming activities within the City by Applicant or Applicant's agents, the processing or issuance of a City Film Permit, or any related legal requirements, such as environmental documentation. Such costs and expenses shall include reasonable attorneys' fees incurred by counsel of City's choice. Upon receipt of a claim or lawsuit, Applicant shall provide an advance deposit against defense fees and costs in a reasonable amount to be determined by the City in its discretion.
- 4.3 No Limit on City's Power. This agreement in no way limits the power of the City to make any determination pursuant to Chapter 5.36, including the denial, approval, or conditional approval of an application for a City Film Permit.
