General Qualifications to run for and hold public office

A candidate must be:

- A United States citizen;
- 18 years old on or before election day; and
- A registered voter living in the jurisdiction at the time nomination papers are issued.

A candidate may not be in prison or on parole for a felony conviction.

Election Dates

The City of Sierra Madre conducts elections every two years to elect members of the City Council and every four years to elect a City Treasurer. These elections are held on the first Tuesday, after the first Monday, in November of even-numbered years. The next general election will be held on November 8, 2022.

Getting Started Early....

One reason to start early is to begin collecting contributions for the election campaign. In order to do this, or if you plan to raise \$2,000 or more, or spend \$1,000 or more during your campaign, you must establish your candidate committee.

What you need to do:

- Review FPPC Campaign Disclosure Manual 2 Information for Local Candidates and their Primarily Formed Committees.
- File FPPC Form 501 Candidate Intention Statement before receiving contributions or spending own funds.
- Set up a bank account for your committee
- File FPPC Form 410 Statement of Organization within 10 days of receiving \$2,000 in contributions, or earlier.
- File appropriate campaign statement as required by filing deadlines: Either FPPC Form 460 (Recipient Committee Campaign Statement) or FPPC Form 470 (Officeholder/Candidate Campaign Statement-Short Form).

Other forms and manuals may be obtained from the State of California Fair Political Practices Commission's (FPPC) website at fppc.ca.gov/forms.html

Candidate Nomination Period...

For the November 8, 2022, General Municipal Election, the filing period is from July 18th through August 12th at 10:00 a.m. Nomination Papers will be issued to any qualified voter through the end of the filing period by appointment only. Upon request, additional Nomination Petitions may be purchased for \$1 each. In order to qualify, a candidate must obtain the signatures of at least 20 registered voters in the City of Sierra Madre.

Campaign Disclosure Statements

Candidates will be required to file periodic campaign disclosure statements during the course of the election. Campaign disclosure statements document contributions received and expenditures made by the candidate and his/her committee during the course of running for election. The City Clerk will post filed campaign forms on the City's website. See "Getting Started Early" or page 4.

Economic Interest Statements (Form 700)

Candidates running for City Council or City Treasurer are required to file with the City Clerk a Statement of Economic Interests disclosing investments, interests in real property and income when they file nomination papers. Officeholders are required to file this form annually until the end of their term.

Record Keeping

During the course of the campaign, candidates and their campaign committee should keep all receipts for expenditures, detailed records of mass mailings, and detailed information about the source of contributions. Records must be retained for four years after the election (Government Code 81009).

Important reminders

BEFORE RAISING OR SPENDING ANY MONEY

File FPPC Form 501 (Candidate Intention). Then, open a campaign bank account. Once \$2,000 is raised or \$1,000 is spent, get an identification number by filing Form 410.
