PARAMEDIC SUBSCRIPTION PROGRAM

What is the Paramedic Subscription Program?

The Sierra Madre Paramedic Subscription Program is an official program offered by the City of Sierra Madre to help offset the cost of emergency medical responses. On average, one call for emergency paramedic services can cost an excess of \$2,000. As a member of the program, your subscription will serve similar to a secondary insurance and cover any additional fees that your insurance may not. This annual membership program is available to all residents of Sierra Madre and is designed as an alternative to paying higher direct fees for paramedic and ambulance services.
